

Dear Primary & Prep. Parents,

On behalf of the **English staff**, I am happy to welcome you to the 2021-2022 school year! We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential.

We recognize that due to the long vacation because of Epidemic Covid 19, our students are facing some language difficulties which affects their expected level.

Our students need support from both the home and school. We ask that you guide and support your child's learning by ensuring **ONLY** that he/she:

- 1) Attends school daily and arrives on time, ready for the day's learning experience
- 2) Completes all homework assignments given by teachers
- 3) Reads daily to develop a love for reading and to improve literacy skills

As for our part:

- 1) We are working on the four language skills (Reading- Writing- Listening- Speaking).
- 2) We are ensuring to simplify all the new words in a simplified English explanation without the need to use any Arabic words.
- 3) Following up the students' language improvement.

Note:

Translating the stories into Arabic is forbidden.

***Translating or Explaining any of the English branches in Arabic won't help to raise your child's level, however it will let the students rely completely on the translation.**
