

English Letter

Dear Preparatory Parents,

Academic year 2021-2022

On behalf of the English staff, it's our honor to welcome you to the new academic year! We understand that the return to school is vital for your child's education and wellbeing.

We hope that your child will make a smooth transition from year to year and we are here to support that.

Year's plan:

- Upon returning to school, the first two weeks was used to ease pupils back into a routine, along with addressing any worries/issues that have arisen as a result of the current situation.
- We will also assess the children in order to put a plan in place to begin to narrow the gaps created as a result of them being unable to attend school.
- Our curriculum this year for Prep. 1 is **Journeys** as a course book, Literature branch "Selected Poems For Schools (Poetry book), and Novel book and Literature booklet", Grammar Reference (included most of the Grammar concepts that they've studied)
- **Please Note that the Novel book "Prisoner of Zenda" is for the whole academic year.**
- Concerning the **explanation**, we'll have more than one way to reach our students through the interactions during the sessions, Google class and Mini-LMS.

Communication:

If you have any questions about the curriculum, your child's academic progress, or his/her behavior in school; please don't hesitate to contact us through the phone call hours as scheduled or sending an email englishdeptsals@gmail.com.

Assessments:

We will have a weekly assessment to check your child's understanding in all the previous concepts.

- **Checking system:**

- We will check copybooks only. NOTE as for the books and booklets, we will send a sample answer key to the booklets on Mini-LMS after the collective checking.
- As for the Novel booklets, we will send a sample answer key to show our students how to answer the commentary and H.W. **Although** each student is going to have these answers **but** it is neither a standard nor a mock for the students to study hard.

Students will be asked to prepare the chapter before its session.

As usual, we seek your support in all matters concerning your child(ren)'s education and ask that you continue the excellent role you have exhibited as your child(ren)'s principle teacher throughout this pandemic – ensuring that they access a set amount of learning on a daily basis.

Thank you and let's have a great school year together!
