Dear Lower Primary Parents,

Academic year 2022-2023

On behalf of the English staff, it's our honor to welcome you to the new academic year! We understand that returning to school is vital for your child's education and wellbeing.

We hope that your child will make a smooth transition from year to year and we are here to support that.

Year's plan:

- Upon returning to school, the first two weeks was used to ease pupils back into the routine.
- Our curriculum this year for primary **one, two and three** is Connect Plus. Also, we have Writing, Reading , Listening and Grammar plans to enrich our students' level.
- Concerning the **explanation**, we'll have more than one way to reach our students through the interactions during the sessions, Google class and Mini-LMS.
- **Please Note that the Grammar Reference is for the whole academic year.**
- **Please note that Better English book for grade 1 and 3 will be used for more than one academic year. So please keep it for next year.**

Communication:

- If you have any questions about the curriculum, your child's academic progress, or his/her behavior in school; please don't hesitate to contact us through the phone call hours as scheduled or sending an email englishdeptsals@gmail.com

Assessments;

We will have a weekly assessment to check your child's understanding in all the previous concepts.

• Checking system;

- For Primary 1 & 2: We will check copybooks, Grammar booklet, Story book or booklet and Better English book, NOTE as for the rest of the books, we will send a sample answer key to them on Google Classroom after the collective checking.
- For Primary 3: We will check copybooks, Story book or booklet. NOTE as for the rest of the booklets and books, we will send a sample answer key to them on Google Classroom after the collective checking.
- As for the Story booklets, we will send a sample answer key to show our students how to answer the H.W. **Although** each student is going to have these answers **but** it is neither a standard nor a mock for the students to study hard.

Thank you and let's have a great school year together!
