Dear KG Parents

Earth is like our home and we must make efforts to keep it clean and green. On occasion of international climate change conference (COP27) held in Egypt let us promise to make our environment a better place to live. It’s our responsibility to keep our surroundings clean and green and so, the KG Department will celebrate “GO Green Day – اتحضر للأخضر “ on Thursday 17th of November 2022.

• Students must come on that day wearing a Green or a Blue T-shirt and Blue Jeans.

• The KG Department will release a total awareness day of saving the environment through morning broadcasts and sessions.

• Our dear students will search at home and prepare a “show and tell chart” Or filming a video talking about some small mistakes that we do every day that affects the environment or even the climate such as:

-Leaving water taps running without usage.

-Not turning off the lights and equipment.

-Leaving streets, classes even house uncleaned – throwing garbage.....

Or

You can prepare the show and tell charts or videos about simple ideas we can do to save the environment such as:
