

SALSI

Dear Parents,

Christmas is the season of giving and cheer. Merry Christmas and Happy New Year to all.

The school will organize some Christmas celebrations during the school day on Thursday 22nd of December 2022.

Students are freely allowed to come out of uniform that day (preferable colors: green - red and white).

Help your child to prepare something healthy for his/her classmates for a Dish Party during the breakfast time (ex: juice - homemade cakes...).

Santa will come over the classes on that day to party with our children and give them presents.

Wishing you a delightful holidays and feasts.
