

Dear Primary & Preparatory Parents,

As a school community, we are deeply committed to providing your child with the best education possible and that includes challenging every student to reach his or her full potential.

English department is announcing the start of Cambridge English courses for all levels (Starters, Movers, Flyers, KET) which will help the students to know their level and what areas may need additional focus to build their confidence for future success in English.

We are inviting you to attend **an orientation** with one of Cambridge presenters to know more about the courses. It will be on **Saturday, 8th of July at 10 am** at the school theatre.
